Dear Sir(s) and Madam(s):

Re: Anthem Development Presentation Centre, Macleod Trail S and 25th Avenue

Please be advised that the Lindsay Park Community Association does not have an issue with Anthem Properties establishing a presentation centre on their lands adjacent to Macleod Trail S and 25th Avenue SW, in preparation for their larger development, prior to approval of the development by the Calgary Planning Commission,

Of course, the larger development will raise broader transportation issues related to access to the site, and we will provide feedback at that time.

Sincerely,

Erik T. Larsen
President, Lindsay Park Community Association
